ABOUT ME

I am 21 years old and I am graduated in IT, recently arrived at The Netherlands. I am a network technician and expert on computer systems, including servers, desktops and mobile. I am searching for a job as IT manager / network manager or a support position on the field. I have a Valid driver license and willing to learn more, and improve myself. Everything I do I put my passion on, I have an open mind, and I am willing to learn fast.
